### > Monarch Parksuites

The Monarch Parksuites is a 17-storey residential luxury condominium that stands on a huge lot area of 18,000+ square meters. It is composed of four grand towers designed to be a modern rendition of Europe's famous century-old castles: Windsor Suites, Windsor Place, Balmoral Suites, and Balmoral Place. Each tower is filled with spacious units that feature spectacular views of the surrounding areas: the majestic sunsets of Manila Bay, the intricacies of the Makati skyline, the exciting hustle and bustle of the Mall of Asia and the grand events that happen in PAGCOR Entertainment City, Bay City Philippines.

DAVCO Dustless Heavy Duty Tile Adhesives were used for the installation of the floor and wall tiles totaling approx. 34,000 bags. DAVCO Dustless Heavy Duty Tile Adhesives is a high quality thick or thin bed cement based tile adhesive. The ideal partner for fixing ceramic, quarry, slate, marble, homogenous and low-porous tiles. Can be used on walls and floors in both interior and exterior applications.
