

> Tile Setting and Flooring Materials

> Park 24 Project

Park 24 Project is the luxury condominium located in best prime location of Sukhumvit, the busiest road of Bangkok. It consists of 6 buildings and more than 1800 units with rooftop swimming pool, sauna, garden and library facilities.

Park 24 Project tiling is well finished by using the best of DAVCO Tile Adhesive products in Thailand; DAVCO ULTRAFLEX and DAVCO SUPER TTB.

With the height of 30 story building and located in busiest area in Bangkok, the tile adhesive must be able to hold large tile and sustain to the vibration. DAVCO ULTRAFLEX and SUPER TTB works well with no compromise and live up to the expectation of such luxury condominium building.
